11. Performance, Discipline & Separation
12. Acknowledgment of Receipt

1. Welcome From Leadership

Welcome to Rise & Shine ABA. We are a New York-based provider of Applied Behavior Analysis services, founded on a simple belief: that every child deserves compassionate, evidence-based, and ethically delivered care — and that every team member who delivers that care deserves to work in an environment that supports them, develops them, and treats them with respect.

This Handbook describes how we work together. It explains your rights, your responsibilities, and the standards we hold ourselves to as a company. It is not a contract of employment — your employment is at-will — but it is the operating manual we expect every team member to read, understand, and follow.

If anything in this Handbook is unclear, ask. Your supervisor, your Case Coordinator, or our Director of Operations are always available to talk through how a policy applies to your specific situation.

— Rise & Shine ABA Leadership Team

2. About Rise & Shine ABA

2.1 Mission

To deliver high-quality, ethical, evidence-based Applied Behavior Analysis services that make a lasting difference in the lives of the children and families we serve.

2.2 Values

- **Compassion.** Every child and family is met with empathy and respect, every day, in every setting.
- **Integrity.** We document honestly. We bill honestly. We say what we mean and we do what we say.
- **Evidence.** We use practices supported by research and the BACB Ethics Code. We measure outcomes.
- **Family-Centered Care.** Children grow when families are partners, not bystanders. We design services that strengthen the home.
- **Continuous Improvement.** We expect to learn from every case, every supervision session, every parent meeting.

2.3 Who We Serve

Rise & Shine ABA serves children diagnosed with autism spectrum disorder and related developmental conditions, primarily ages 2–14, across home, school, telehealth, and community settings throughout the Greater New York metropolitan area. We bill commercial insurance, Medicaid, and managed care.

2.4 Who We Are

We are a multi-disciplinary team of Board Certified Behavior Analysts (BCBAs), Registered Behavior Technicians (RBTs), supervised fieldwork students, case coordinators, billing specialists, and administrative staff — all united by the mission above.

3. Employment Policies & Practices

3.1 At-Will Employment

Employment with Rise & Shine ABA is **at-will**. This means you may resign at any time, with or without cause or notice, and the Company may terminate your employment at any time, with or without cause or notice, subject to applicable law. No oral or written statement by any supervisor, manager, or representative of the Company creates a contract of employment for any specific term. This Handbook is not a contract.

3.2 Equal Employment Opportunity

Rise & Shine ABA is an equal opportunity employer. We make all employment decisions — including recruitment, hiring, training, promotion, compensation, discipline, and termination — without regard to race, color, religion, creed, sex, sexual orientation, gender identity or expression, pregnancy, national origin, ancestry, citizenship status, age, marital or familial status, military or veteran status, disability, genetic information, predisposing genetic characteristics, domestic violence victim status, or any other characteristic protected by federal, New York State, New York City, or local law.

3.3 Employment Classifications

W-2 Employees (Required for All Direct-Care Roles)

All Rise & Shine ABA direct-care staff — including RBTs, BCBAs, Behavior Technicians, and Supervised Fieldwork Students — are classified as **W-2 employees**. This is not optional. It is required by IRS common-law tests, the New York Department of Labor, BACB ethical guidelines for supervised work, and our payer contracts.

As a W-2 employee:

- Federal, state, and FICA taxes are withheld from each paycheck.
- You are covered by workers' compensation, disability, and Paid Family Leave insurance.
- You are eligible for paid sick leave under New York Labor Law.
- You receive a W-2 form annually.

1099 Independent Contractors

1099 status is reserved for true independent vendors who provide services on a project basis without supervision (for example: legal counsel, accounting, IT vendors, marketing consultants). 1099 status is never used for direct-care or BACB-supervised roles.

Full-Time and Part-Time Status

Full-time employees are scheduled for 30+ hours per week on a regular basis. Part-time employees are scheduled for less than 30 hours per week on a regular basis. Benefit eligibility is determined by classification and is described in your offer letter and Section 4 of this Handbook.

3.4 Hiring Requirements

All employees must complete the following before being cleared for client services:

- Federal Form I-9 employment eligibility verification, with acceptable documentation, within three business days of start
- Federal Form W-4 and New York Form IT-2104 tax withholding
- New York Wage Notice (Labor Law §195.1)
- Background check authorization and clean return
- Direct deposit authorization
- Acknowledgment of this Handbook (covering HIPAA, NDA, Mandated Reporter, Incident Reporting, Sexual Harassment, and other policies)
- HIPAA training certificate
- Mandated Reporter training certificate
- New York Sexual Harassment Prevention training certificate
- Current CPR/First Aid certification
- Active RBT certification (RBTs) or BCBA certification (BCBAs)

3.5 Probationary Period

All new employees are on a 90-day introductory period. During this time, the Company will assess your performance, reliability, documentation, and clinical conduct. We hold structured 30-day, 60-day, and 90-day check-ins. Either party may end the employment relationship during this period. Successful completion does not change your at-will status.

3.6 Hours of Work, Scheduling & Attendance

- Most direct-care work is scheduled in 2-to-4-hour blocks based on client authorization.
- **Reliability is a job requirement.** Confirmed sessions must be honored. No-shows without prior notice are grounds for immediate corrective action.
- **Cancellations:** notify your Case Coordinator and the family at least 24 hours in advance whenever possible. Repeated late cancellations are a performance issue.

- Sick days: report to your Case Coordinator before your scheduled session start. The Coordinator will arrange coverage. (See §4 for paid sick leave.)
- Time records are maintained through the EHR and HR systems. Falsifying time records is grounds for immediate termination.

3.7 Performance Reviews

Direct-care employees receive structured reviews at 30, 60, and 90 days, then quarterly thereafter. Reviews are based on a 7-metric scorecard covering: session note compliance, reliability, BCBA evaluation, parent satisfaction, case retention, continuing education, and peer feedback. Tier assignments and pay band placement follow the scorecard outcome.

4. Compensation, Benefits & Time Off

4.1 Pay Schedule

Direct-care employees are paid on a bi-weekly basis. Pay periods run from Monday through Sunday, with payment two Fridays after the end of the pay period. The first paycheck after onboarding may take up to one full pay cycle to process.

4.2 Direct Deposit

Direct deposit is the standard payment method. Setup is part of your onboarding pack. Changes require written notice and may take 1–2 pay cycles to process.

4.3 Overtime

Non-exempt employees are paid overtime at 1.5x the regular rate for hours worked in excess of 40 in a workweek, in accordance with the Fair Labor Standards Act and New York Labor Law. All overtime must be approved in advance by your supervisor. Working unauthorized overtime is a performance issue, but you will always be paid for hours actually worked.

4.4 Mileage & Expense Reimbursement

- **Mileage** for travel between client sites within a single shift is reimbursed at the current IRS standard mileage rate. Travel from home to first client and from last client to home is generally not reimbursed.
- **Expenses** for approved client materials must be pre-approved by your supervising BCBA. Receipts must be submitted within 30 days.
- **Submission:** through the HR system, with date, mileage, purpose, and itemized receipts.

4.5 Paid Sick Leave (New York)

In accordance with the New York State Sick Leave Law, all employees accrue paid sick leave at the rate of one hour per 30 hours worked, up to a maximum of 40 hours per year (with maximums of 56 hours for employers with 100+ employees). Sick leave can be used for: your own physical or mental illness, injury, or health condition; care for a family member; recovery from domestic violence, sexual offense, stalking, or human trafficking; and certain related purposes.

- **Accrual:** begins on your first day of employment.
- **Use:** you may begin using accrued sick leave 90 days after your start date.
- **Notice:** notify your supervisor as soon as you know you need to use sick leave. Foreseeable use should be requested 7 days in advance.
- **Documentation:** for absences of more than three consecutive workdays, the Company may request reasonable documentation.
- **Carryover:** unused accrued sick leave carries over to the next year, but use is capped at 40 hours per year.
- **No retaliation:** the Company will not retaliate against any employee for using lawfully accrued sick leave.

4.6 Paid Time Off (PTO) — When Eligible

PTO eligibility, accrual rates, and usage rules are described in your offer letter. Generally:

- Full-time employees accrue PTO based on length of service.
- Part-time employees accrue PTO on a pro-rata basis.
- PTO requests must be submitted at least 14 days in advance for periods longer than one shift, except in emergencies.
- Accrued unused PTO at termination is paid out only as required by law or by individual employment agreement.

4.7 Bereavement, Jury Duty & Military Leave

- **Bereavement:** up to three days of unpaid leave for the death of an immediate family member.
- **Jury Duty:** time off as required by New York law. Provide your summons to HR as soon as received.
- **Military Leave:** administered in accordance with USERRA and applicable New York law.

4.8 Family and Medical Leave (FMLA)

Employees who meet federal eligibility (employed for 12 months and 1,250 hours of service in the prior year, at a worksite where the employer has 50+ employees within 75 miles) may be entitled to up to 12 weeks of unpaid, job-protected leave for qualifying reasons under the federal Family and Medical Leave Act. Contact HR for details.

4.9 New York Paid Family Leave

Eligible employees may take up to 12 weeks of paid family leave to bond with a new child, care for a family member with a serious health condition, or address military family needs, in accordance with New York Paid Family Leave Law. Premiums are funded through employee payroll deductions. The official notice of rights is provided at hire and upon request.

4.10 Workers' Compensation, Disability & PFL

All employees are covered by New York Workers' Compensation insurance for work-related injuries and illnesses, and by Disability Benefits and Paid Family Leave insurance. Report any work-related injury to your supervisor immediately and follow the procedures described at hire.

4.11 Reasonable Accommodation

The Company provides reasonable accommodations to qualified individuals with disabilities, sincerely held religious beliefs, pregnancy-related conditions, and victims of domestic violence as required by federal, New York State, and New York City law. To request an accommodation, contact HR. We will engage in an interactive process to identify reasonable accommodations that do not impose an undue hardship.

4.12 Lactation Accommodation

In accordance with the Fair Labor Standards Act and New York Labor Law, the Company provides reasonable break time and a private, sanitary location (other than a restroom) for nursing employees to express breast milk for up to three years following the birth of a child. To arrange this, contact HR.

5. Code of Conduct & Professionalism

5.1 BACB Ethics Code

All BCBA's, RBTs, and supervised fieldwork students are bound by the BACB Ethics Code for Behavior Analysts (or the RBT Ethics Code, as applicable). Review the current code annually. Violations of the BACB Ethics Code are violations of this Handbook and may result in both internal discipline and reporting to the BACB.

5.2 Communication Standards

- Respond to work communications (Case Coord, supervisor, parents) within one business day. Urgent matters: same day.
- Use only company-approved communication channels for client-related matters. Personal text messages and social media are not appropriate channels.

- All written communication should reflect the standards of a healthcare professional. Assume any message could be read by a regulator, parent, or court.
- Disagreements are resolved professionally, in private, and through the chain of supervision — not in front of clients or families.

5.3 Dress Code & Personal Appearance

Dress should be professional, appropriate for active work with children, and respectful of the home or facility you are entering. Visible tattoos, piercings, hair color, and personal expression are welcome. The standard is: clean, modest, safe for movement, and consistent with the cultural norms of the family's home.

5.4 Punctuality and Reliability

- Arrive on time for every session. "On time" means at the door at the scheduled start, ready to work.
- If you will be late or unable to attend, notify your Case Coordinator and the family as soon as possible — never just the family alone.
- Reliability is the single strongest predictor of long-term success at Rise & Shine ABA.

5.5 Conflict of Interest

- You may not provide services privately to any current or recent Rise & Shine ABA client outside of your role with the Company.
- You may not accept cash, gifts of value, or business referrals from clients or vendors. Modest tokens (a thank-you card, a small homemade item) may be accepted; report any gift over \$25 to your supervisor.
- You must disclose any second job that could create a scheduling, ethical, or competitive conflict.
- You may not use Rise & Shine ABA materials, training, or client information to support a competing business or personal venture.

5.6 No Solicitation

During working time, do not solicit other employees for non-work purposes (sales, fundraising, political activity, religious activity, etc.) or distribute non-work materials in working areas. This rule does not restrict your right to discuss wages, working conditions, or unionization with coworkers, which are protected activities under the National Labor Relations Act.

6. Confidentiality & HIPAA

This section is a summary. The full HIPAA & Confidentiality Agreement is a separate signed document and is incorporated into this Handbook by reference.

6.1 Your Core Obligations

- Access PHI only when required for your job, and only the minimum necessary.
- Never discuss client information in public spaces, with family, or on social media.
- Use only company-approved, password-protected, encrypted devices for ePHI.
- Use only company-approved communication tools (HIPAA-compliant email, secure messaging, BAA-covered telehealth platforms) for PHI.
- Report any suspected breach immediately to the Compliance Officer.

6.2 Strictly Prohibited

- Screenshots, photos, or recordings of client records, screens, or PHI
- Storing PHI on personal devices, personal email, or personal cloud accounts
- Sending PHI by personal text, personal email, or social media
- Sharing system login credentials with anyone
- Removing physical PHI from approved work environments

6.3 Consequences

Violations may result in immediate termination and may carry federal civil penalties of up to \$68,928 per violation (with annual caps of up to \$2,067,813), federal criminal penalties of up to \$250,000 and 10 years imprisonment, and personal civil liability.

7. Non-Disclosure & Intellectual Property

This section is a summary. The full Non-Disclosure Agreement is a separate signed document and is incorporated into this Handbook by reference.

7.1 Confidential Information

In addition to PHI, you must protect: business practices, financials, training materials, internal forms, vendor lists, employee data, and any non-public information learned in the course of work.

7.2 Intellectual Property

Materials, forms, training content, and documentation created by Rise & Shine ABA are the intellectual property of the Company. You may not copy, distribute, or reuse them outside the Company without

written authorization. Materials you create in the course of your employment, using Company resources, belong to the Company.

7.3 Whistleblower Notice

Federal law (18 U.S.C. § 1833) protects your right to disclose trade secrets in confidence to a government official or attorney for the purpose of reporting a suspected violation of law, or in a sealed court filing. Nothing in our confidentiality policies prevents you from reporting suspected violations of law to government agencies or exercising any legally protected whistleblower right.

8. Technology, Telehealth & Remote Work

8.1 Device Standards

- Use only company-approved, password-protected, encrypted devices to access company systems or PHI.
- Devices must auto-lock after no more than 5 minutes of inactivity.
- Operating systems and security software must be kept current.
- Lost or stolen devices must be reported within 4 hours.

8.2 Wi-Fi & Network

- Home Wi-Fi must use WPA2 or WPA3 encryption with a strong password.
- No public Wi-Fi for company work without an approved VPN.
- No personal Bluetooth peripherals connected to company-managed devices without approval.

8.3 Telehealth Sessions

- Conduct sessions in a private, soundproof workspace.
- Ensure no unauthorized persons can overhear or view the session.
- Do not record sessions without explicit written authorization from the parent/guardian and clinical supervisor.
- Maintain professional appearance and conduct identical to in-person.
- Test your technology before each session — camera, microphone, internet stability.

8.4 Email & Messaging

- Use only your assigned company email for work communications.
- Do not auto-forward company email to personal accounts.
- Encrypt any email containing PHI.

- Be alert to phishing — verify unexpected requests for credentials, payment, or PHI through a separate channel.

8.5 Social Media Policy

- **No client information, even "de-identified," may be posted on personal social media.** Stories with enough specifics to identify a child remain HIPAA violations.
 - Do not post photos or videos taken in client homes, schools, or session settings.
 - Do not represent yourself as speaking for Rise & Shine ABA without authorization.
 - Maintain professional standards in any public-facing content that identifies you as a Rise & Shine ABA employee.
-

9. Health & Safety

9.1 Emergency & Incident Reporting

This section is a summary. The full Emergency & Incident Reporting Policy and Incident Report Form are separate documents incorporated by reference.

Report immediately:

- Any client or staff injury, however minor
- Any medical emergency
- Any suspected abuse, neglect, or maltreatment
- Any behavioral incident requiring emergency intervention
- Any client elopement
- Any suspected HIPAA breach
- Any safety hazard or property damage
- Any allegation of misconduct against any staff member

Procedure: 911 if urgent → notify supervising BCBA and Case Coordinator → complete the Incident Report Form within 24 hours → cooperate with follow-up.

9.2 Mandated Reporter Requirements (Multi-State)

All staff working with minors are Mandated Reporters under New York Social Services Law and corresponding laws in NJ, PA, CT, and FL. You have an independent legal obligation to report suspected abuse, neglect, or maltreatment directly — supervisor approval is not required, and good-faith reports are protected by law.

State	Hotline
New York (NY)	1-800-342-3720
New Jersey (NJ)	1-877-NJ-ABUSE (1-877-652-2873)
Pennsylvania (PA)	1-800-932-0313
Connecticut (CT)	1-800-842-2288
Florida (FL)	1-800-962-2873
National (Childhelp)	1-800-4-A-CHILD (1-800-422-4453)

New York Mandated Reporter training is required within 10 days of start. Certificate must be uploaded to your HR profile.

9.3 Drug-Free Workplace

The Company is a drug-free workplace. The use, possession, distribution, or being under the influence of illegal drugs, marijuana, or alcohol during work hours, on Company premises, in client homes, or while operating a vehicle for Company purposes is strictly prohibited. Prescription medications that may impair your ability to work safely must be disclosed to your supervisor in advance. Reasonable suspicion of impairment may result in immediate suspension pending investigation.

9.4 Workplace Violence Prevention

Threats, intimidation, harassment, or physical violence against any employee, client, family member, or visitor are strictly prohibited and will result in immediate disciplinary action up to and including termination, and may be reported to law enforcement. Report any concerns to your supervisor or the Director of Operations immediately.

10. Anti-Harassment & Anti-Discrimination

10.1 Equal Treatment

Rise & Shine ABA is committed to a workplace free from discrimination and harassment. We treat every employee, contractor, applicant, client, family member, and vendor with dignity and respect, without regard to any protected characteristic listed in §3.2 of this Handbook.

10.2 Sexual Harassment Prevention Policy (NY-Mandated)

Zero Tolerance

Rise & Shine ABA has a zero-tolerance policy for sexual harassment. Sexual harassment is illegal under federal, New York State, and New York City law, and is prohibited by this Company. All employees, regardless of position or rank, are required to comply with this Policy.

10.2.1 What Is Sexual Harassment

Sexual harassment is a form of sex discrimination and is unlawful. Sexual harassment includes harassment based on sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender.

Sexual harassment includes unwelcome conduct of a sexual nature, including but not limited to:

- **Unwelcome physical contact** (touching, hugging, kissing, patting, pinching).
- **Unwelcome verbal conduct** (sexual comments, jokes, propositions, sexual innuendo, comments about a person's body or appearance, repeated requests for dates).
- **Unwelcome visual conduct** (displaying or sending sexually suggestive images, videos, gestures, or written materials, including via email, text, or social media).
- **Quid pro quo conduct** (submission to or rejection of sexual advances used as a basis for employment decisions).
- **Hostile work environment** (conduct severe or pervasive enough to create an intimidating, offensive, or abusive work environment).
- **Retaliation** for reporting sexual harassment, opposing harassment, or participating in an investigation.

Sexual harassment may occur between any persons regardless of their gender or sexual orientation, including between coworkers of the same sex.

10.2.2 Who Is Covered

This Policy applies to all employees (full-time, part-time, temporary), contractors, vendors, interns, applicants, and clients. The Policy applies to conduct in the workplace and to work-related conduct outside the workplace, including conduct at off-site events, during travel, and on electronic communications.

10.2.3 How to Report Sexual Harassment

If you experience or witness sexual harassment, you are encouraged — but not required — to first tell the offender that the conduct is unwelcome and must stop. **Whether or not you do so, you should report the conduct as soon as possible.** You may report through any of the following channels:

- **Your supervisor or Case Coordinator**
- **The Director of Operations:** [contact info]
- **HR / Compliance Officer:** info@riseandshine.nyc or (929) 460-9600
- **Anonymous reporting:** [internal anonymous channel — to be configured]

You may report orally or in writing. Written reports may use the Company's Sexual Harassment Complaint Form, available from HR. The Company will accept and investigate reports made by witnesses, not only by victims.

10.2.4 Investigation Procedure

All reports of sexual harassment will be investigated promptly, thoroughly, and as confidentially as possible. The investigation will generally include:

1. Acknowledgment of the report within two business days.
2. Interview of the complainant, the accused, and any witnesses.
3. Review of relevant documents, communications, and other evidence.
4. Determination of whether the Policy was violated, based on a preponderance of the evidence.
5. Communication of the outcome to the complainant and the accused, to the extent permitted by law.
6. Disciplinary action up to and including termination if the Policy is found to have been violated.

The Company will keep the investigation as confidential as possible, sharing information only with those who need to know to investigate or resolve the matter.

10.2.5 Non-Retaliation

Retaliation against any person for reporting sexual harassment in good faith, opposing harassment, or participating in an investigation is strictly prohibited and is itself a violation of this Policy. Retaliation includes adverse employment actions (termination, demotion, schedule changes, exclusion) and threats of adverse action. Anyone who experiences retaliation should report it through the same channels listed above.

10.2.6 External Reporting

In addition to or instead of reporting to the Company, you have the right to file a complaint with:

- **New York State Division of Human Rights** (complaints may be filed within 3 years): 1-800-664-1220 / dhr.ny.gov
- **U.S. Equal Employment Opportunity Commission (EEOC)** (complaints generally within 300 days): 1-800-669-4000 / eeoc.gov
- **New York City Commission on Human Rights** (if the conduct occurred in NYC, within 1 year): 311 / nyc.gov/cchr
- **Local law enforcement** if the conduct involves physical contact, threats, or other potentially criminal behavior.

10.2.7 Annual Training

The Company provides annual interactive sexual harassment prevention training to all employees, as required by New York State Labor Law. Completion is mandatory. Training certificates are maintained in the personnel file.

10.3 Other Forms of Harassment

Harassment based on any other protected characteristic listed in §3.2 is similarly prohibited. The reporting and investigation procedures in §10.2 apply equally to all forms of harassment and discrimination.

10.4 Reasonable Accommodation Procedure

If you need a reasonable accommodation for a disability, sincerely held religious belief, pregnancy or related medical condition, or status as a victim of domestic violence, contact HR. The Company will engage in an interactive dialogue to identify accommodations that meet your needs without imposing undue hardship.

11. Performance, Discipline & Separation

11.1 Performance Expectations

Every Rise & Shine ABA employee is expected to meet the following baseline standards:

- Reliably attend every confirmed session, on time.
- Sign every session note within 24 hours (see §11.2).
- Maintain confidentiality of all PHI and Confidential Information.
- Treat clients, families, coworkers, and vendors with respect.
- Maintain current certifications (RBT, CPR, etc.).
- Complete required trainings on time.
- Communicate changes promptly through the proper channels.

11.2 Session Note Compliance Rule

The 24-Hour Rule

Every session note must be signed within 24 hours of the session ending. Sessions without signed notes within 24 hours are non-billable and unpaid. This rule is not punitive — unsigned notes violate payer contracts and create audit risk. Three unsigned notes within a 30-day period will result in corrective action; a pattern of unsigned notes is grounds for termination.

11.3 Corrective Action Procedure

When performance or conduct concerns arise, the Company generally follows a progressive discipline approach, although the Company reserves the right to skip steps or move to immediate termination based on the severity of the issue.

1. **Verbal coaching:** for minor issues. Documented in the supervisor's notes.
2. **Written warning:** for repeated or more serious issues. Includes specific concerns, expectations for improvement, and consequences if performance does not improve.
3. **Performance Improvement Plan (PIP):** a 30- to 60-day structured plan with specific goals and check-ins.
4. **Suspension or termination:** for failure to improve, or for serious violations.

Conduct that may result in immediate termination without prior steps includes: HIPAA violation, falsifying records, theft, threats or violence, gross insubordination, abandonment (no-call/no-show), substance use during work, and any conduct involving harm to a client.

11.4 Resignation

Two weeks' written notice is requested but not contractually required. Provide notice to your supervisor in writing. Complete a final timesheet, return all Company property, and participate in an exit interview if requested. Final pay will be issued by the next regular pay date in accordance with New York law.

11.5 Termination

If your employment is terminated, you will be informed in writing of the effective date. Final pay will be issued by the next regular pay date in accordance with New York law. The Company may dispute eligibility for unemployment benefits in cases of misconduct.

11.6 Post-Employment Obligations

- HIPAA and confidentiality obligations survive termination indefinitely as to PHI and trade secrets.
- Non-disclosure obligations survive termination as set forth in the NDA.
- Return of all Company property — devices, materials, documents, credentials — is required on or before your last day.

11.7 Personnel Records

Personnel records are maintained securely and confidentially. You have the right under New York Labor Law to inspect and obtain copies of certain personnel records. Submit requests in writing to HR. Records will generally be made available within a reasonable time.

RISE & SHINE ABA LLC

Empowering children to reach their full potential

12. Acknowledgment of Receipt

Please read this Acknowledgment carefully. By signing below, you confirm receipt of the Employee Handbook and your agreement to the policies, including the policies that are incorporated by reference (HIPAA & Confidentiality Agreement, Non-Disclosure Agreement, and Emergency & Incident Reporting Policy).

By signing below, I acknowledge and agree that:

1. I have received a copy of the Rise & Shine ABA Employee Handbook (v2.0).
2. I understand that it is my responsibility to read, understand, and follow all policies.
3. I understand that my employment is at-will, meaning either I or the Company may end the employment relationship at any time, with or without cause or notice, subject to applicable law.
4. I understand that this Handbook is not a contract of employment and does not create any guarantee of employment for any specific term.
5. I understand that policies may be revised at any time, and the Company will provide notice of material changes.
6. I have received and acknowledge the HIPAA & Confidentiality Agreement, the Non-Disclosure Agreement, and the Emergency & Incident Reporting Policy, which are incorporated by reference.
7. I acknowledge receipt of the New York Sexual Harassment Prevention Policy in Section 10.
8. I understand the session note 24-hour compliance rule and agree to comply.
9. I understand my classification as a W-2 employee and my obligations as a Mandated Reporter.
10. I understand that violations of the policies in this Handbook may result in disciplinary action up to and including termination.
